Our company was founded by Mr. Sandeep Patil as Secom Security Systems in 2000. Since then, we have grown as leading service provider in the domain serving security systems. His visionary leadership and positive guidance has helped us lead attain a reputed position amongst our counterparts. Leveraging on his experience and high end knowledge, we have managed to improvise an innovative our service process

since 16 years to provide comprehensive consultancy services as per security demands of our clients. We were, thus, reinvented as Securizen Systems Pvt. Ltd. by Mr. Patil who motivates his colleagues with commitment and dedication towards the entity. All the efforts are combined to achieve immense success for the company and enhanced trust in our clients for future business

Thank you
